

Recommended Pillar 3 Courses

Anesthesia	Two external rotations in specialty	IM/ICU sub internship		
Dermatology	Dermatology elective	Rheumatology	Infectious disease	
Emergency Medicine	https://www.emra.org/uploadedFiles/EMRA/EMRA_Publications/Whats_Up_in_EM_Newsletter/Garmel%20-%20Planning%20your%20final%20year%20of%20medical%20school.pdf			
Family Medicine	External Rotation in specialty Critical Care rotation	Inpatient Peds Any sub internship	Cardiology	Psychiatry
General Surgery	Two external rotations in specialty Pathology	IM/ICU sub internship ?Cardiology	Anatomy refresher course	Radiology (CT/GI studies)
Internal Medicine	IM Sub internship Infectious Disease	Cardiology Dermatology	Medical ICU (2-4 weeks)	Endocrinology
Internal Medicine/Pediatrics	IM Sub internship Infectious Disease Dermatology	Cardiology Peds Hospitalist Sub Internship (1st) Mixed Peds Elective	Medical ICU (2-4 weeks) PICU	Endocrinology NICU
Neurology	Inpatient Neurology elective at Sanford (teaching service) Psychiatry	Stroke Service Elective PM&R, Peds Neuro, IM sub I	NeuroCritical Care ICU (with Dr. Larry Burris)	Neuroradiology
Neurosurgery	Two external rotations in specialty	IM/ICU sub internship	Anatomy refresher course	Radiology (CT/MRI)
Nuclear Medicine	Pathology elective	Surgery rotation	Neurology and Oncology electives	
Occupational Medicine	Orthopedics elective	Dermatology	Pulmonary medicine	

Obstetrics/Gynecology	OB/GYN Subinternship Attend the Surgical Boot Camp Publication, research	IM Subinternship Attend ACOG Annual Mtg	NICU External Rotation in specialty	General Surgery Subinternship Dermatology, Radiology, Cardiology
Ophthalmology	Two external rotations in specialty	IM/ICU sub internship	Anatomy refresher course	
Orthopedic Surgery	Two external rotations in specialty Rheumatology	IM/ICU sub internship	Anatomy refresher course	Radiology - skeletal focus
Otolaryngology	Two external rotations in specialty	IM/ICU sub internship	Anatomy refresher course	Radiology (CT/MRI)
Pathology	Pathology elective (4 wk, SF)	1-2 external rotations in Path	IM/Surgery Sub Internship	
Pediatrics	Peds Hospitalist Sub internship (1st)	PICU (after hospitalist sub I)	NICU	Mixed Peds Elective
Preventative Medicine	Cardiology	Hematology/Oncology	GI	
Physical Medicine and Rehabilitation	Neurology	Dermatology	Infectious disease	
Plastic Surgery	Two external rotations in specialty	IM/ICU sub internship	Anatomy refresher course	
Psychiatry	1-2 Psychiatry Sub internship	Neurology	IM rotation	
Radiation Oncology	Pathology elective	Surgery rotation	Oncology elective	
Radiology (Diagnostic)	Pathology elective	Surgery rotation	Neurology and Oncology electives	
Urology	Two external rotations in specialty	IM/ICU sub internship	Anatomy refresher course	
Vascular Surgery	Two external rotations in specialty	IM/ICU sub internship	Anatomy refresher course
